Highlights

Anti-theft for batteries
Batteries can be locked with a screw so they cannot be taken out by the guests.

Digital functionality
In general there is a move towards more digital systems for TV's, therefore our Remote control already has buttons for digital TV.

Easy to clean
Functional stylish design instead of high gloss which means that you won's see fingerprints on the product.

Low battery detection
A message will appear on screen when the battery is almost empty. Battery can be changed in time by hotel staff. No hassle or irritation for your guests.

Modern design
Stylish design in line with our Philips 2008-2009 Hospitality TV's.

Hospitality Remote Control
This TV comes with a stylish remote control that is specially designed for hospitality usage. For an easy to use experience for the guest only the most essential buttons and functions are offered. In addition, low battery check and anti-theft battery provisions are features which can contribute to efficient hotel operations.
